Transfer of Imprest Fund Accountability

1. Reference is made to my memorandum dated 17 March 1959, same subject.

2. In view of some difficulty the Office of the Chief Disbursing Officer is experiencing in reconciling the transfer of accountability of the total imprest fund, it is requested that the outgoing Imprest Fund Cashier include, when applicable, the following paragraph in his statement of cash on hand transferred:

"Cash in the amount of \$ _____ is transferred on Reimbursement Bureau Voucher No. _____, dated _____, Total fund transferred is _____".
